WINDERMERE	39	27-29

GENERAL INFORMATION

The public are advised that travel on METRO buses is subject to provisions in the Metropolitan Transport Act and By-Laws.

Services On Public Holidays:

Christmas and Good Friday — Sunday timetables apply.
Other Public Holidays — Saturday timetables apply.

METRO Off-Peak Times are:

9.00 am to 4.30 pm and after 6.00 pm Monday to Friday
and at all times on Saturday, Sunday and public holidays.

Prams on Buses:

The only type of pram that may be carried on a bus is a stroller of the folding type. These may be carried free of charge at the owner's risk, if there is room for them, during off-peak times.

Lost Property:

Any property found on METRO buses must be handed immediately to a METRO officer. If you have lost an item, please contact METRO stating the route, time and bus number (if possible).

Complaints:

All too often passengers direct complaints to drivers. A driver's job is a demanding one which requires extreme concentration at all times. An argument with a passenger could adversely affect the competence of the driver and subsequently endanger passengers and other road users.

It is NOT the job of the driver to handle complaints.

Should you have a complaint, telephone General Enquiries (71 3232). You will be connected to the appropriate officer who will give the matter immediate attention.

NOTES

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research. It also mentions the scope of the study and the limitations of the research.

2. The second part of the report is a detailed description of the methodology used in the study. It includes information about the sample size, the data collection methods, and the statistical analysis techniques used.

3. The third part of the report is a presentation of the results of the study. It includes tables and graphs showing the data and the findings of the research.

4. The fourth part of the report is a discussion of the results and their implications. It discusses the significance of the findings and their relevance to the field of study.

5. The fifth part of the report is a conclusion and a list of references. It summarizes the main findings of the study and provides a list of the sources used in the research.

6. The sixth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, or interview transcripts.

7. The seventh part of the report is a list of figures. It includes any charts, graphs, or tables that are used to present the results of the study.

8. The eighth part of the report is a list of tables. It includes any tables that are used to present the results of the study.

9. The ninth part of the report is a list of references. It includes a list of the sources used in the research.

10. The tenth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, or interview transcripts.

11. The eleventh part of the report is a list of figures. It includes any charts, graphs, or tables that are used to present the results of the study.

12. The twelfth part of the report is a list of tables. It includes any tables that are used to present the results of the study.

13. The thirteenth part of the report is a list of references. It includes a list of the sources used in the research.

14. The fourteenth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, or interview transcripts.

15. The fifteenth part of the report is a list of figures. It includes any charts, graphs, or tables that are used to present the results of the study.

16. The sixteenth part of the report is a list of tables. It includes any tables that are used to present the results of the study.

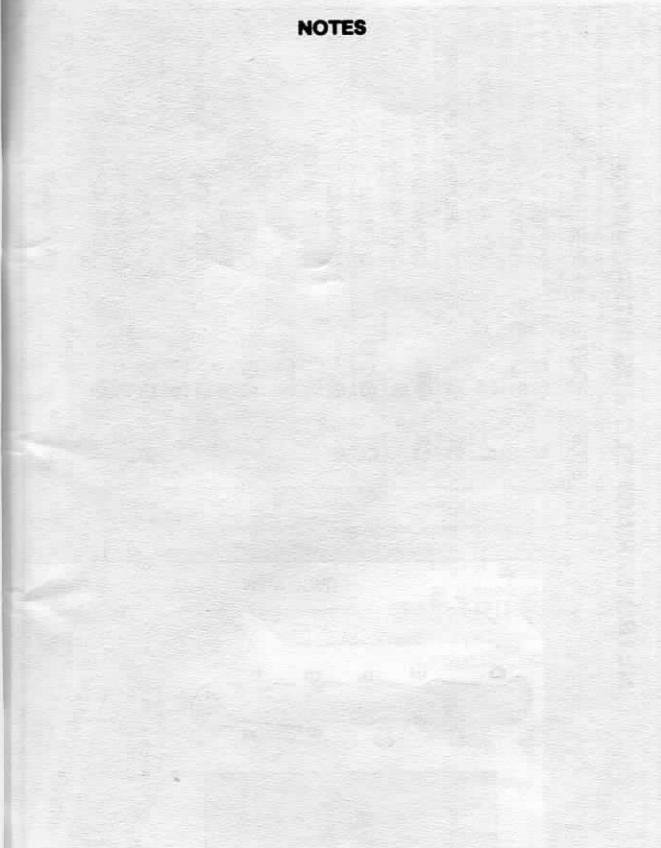

17. The seventeenth part of the report is a list of references. It includes a list of the sources used in the research.

18. The eighteenth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, or interview transcripts.

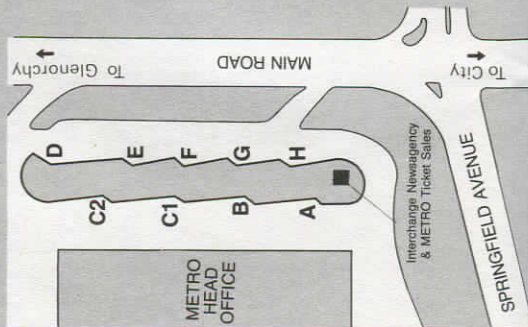

19. The nineteenth part of the report is a list of figures. It includes any charts, graphs, or tables that are used to present the results of the study.

20. The twentieth part of the report is a list of tables. It includes any tables that are used to present the results of the study.

DAY TRIPPER

(BUY THESE FROM THE DRIVER)

CONCESSION OFF-PEAK

Fare Paid

Ticket type

Date & month ticket is valid.

Money saving ideas from Metro

Metro 10

Each group of 3 No's represent 1 trip. The No's refer to the expiry time for transfers.
e.g. 08₄ = 8.49am
14₂ = 2.29pm

Fare Paid

Ticket type

Valid for up to 7 sections

Our Metro 10 ticket saves you money with big discounts. Buy ten trips — prices for adults are linked to sections travelled — one price gives pensioners and students unlimited travel on each trip.

Only sold at Metro Agents.

Metro Month

A ticket for the regular bus traveller. Bigger discounts — valid for one month from date first used.

See our fares brochure for details.
